

Supporters of Sheddington

Thank you for your interest in Sheddington. We are a community space or shed in Teddington, where people can meet up, make stuff and mend things, working together or alongside each other.

Sheddington welcomes everyone: we are inclusive, secular and not for profit. Although there is no charge for attending our sessions, as a charity we rely on the generosity of donations to maintain this site and develop our activities for the benefit of the community.

We suggest a donation of £2 a session. And if you come regularly, see overleaf for how you can become a Supporter of Sheddington.

How you can support Sheddington:

For a donation starting from £25 a year you can become a Supporter of Sheddington, and receive a membership card and badge.

- In cash on the day.
- Direct to our bank account:
